## What do you love about your town?

Design a T Shirt inspired by pride for your home town and what you feel passionate about - your club, where you live, your family, friends, a landmark or cool building! Be part of this amazing project with Borderlands, bringing together creativity and community across Middlesbrough, Redcar and Cleveland.

Good luck and don't forget to share your pics of you wearing your own Boro shirt #MyboroMyshirt

Email a photograph of your T-shirt design, either on the template provided here above, or with you wearing it! Send submissions to [j.bailey@tees.ac.uk](mailto:j.bailey@tees.ac.uk), along with your name, age and contact information (inc. school or community group if applicable)

The competition will be split into 4 categories, under 7, 8-11, 12-17 and adults.

The competition will close on Friday, April 24 at midnight. A winner will get to see their shirt printed, with other entries forming part of exhibitions at a later date.
