

# Central Middlesbrough map: Arctic Monkeys event

They say it changes when the sun goes down around here...

Whether it's day or night we have plenty of quirky bars, alternative micro pubs, outstanding restaurants and a brand new immersive indoor gaming experience at Level X that put simply, is pretty fantastic. And we're only just getting started.

If indie is your thing (and we're guessing it is), there's tonnes of independent gems to discover around Baker Street and the neighbouring Bedford Street, Grange Road, Borough Road and Linthorpe Road. All located within a ten minute walk, enjoy amazing food, independent and big-brand shopping, craft ales, impressive cocktails and of course, soak up the warm Boro welcome - we're known for it!

Make sure you take advantage of Teesside Restaurant Week while you're here and get a great deal such as three courses for £20 at many restaurants across the town centre.

For the full run-down of where to eat and drink and what to do in Middlesbrough while you're here, visit [wearemiddlesbrough.com/arcticmonkeys](http://wearemiddlesbrough.com/arcticmonkeys)

**POST-EVENT TAXIS**

## Welcome to The Riverside Stadium, home of Middlesbrough FC.

Whether you've been here before supporting the mighty Boro, or you've never stepped foot in our club or our brilliant town before, you are very welcome to join us for the gig.

We've marked out some key areas of the ground which may be helpful. We've also mapped out four meeting points (with What3Words indicators) located just outside the ground which may be handy if you get separated from friends, find them at
